

# Why does design matter?

Show why design matters in the form of a poster and enter it into AIA NEI's competition for "Architecture Week" for a chance to win up to \$150!

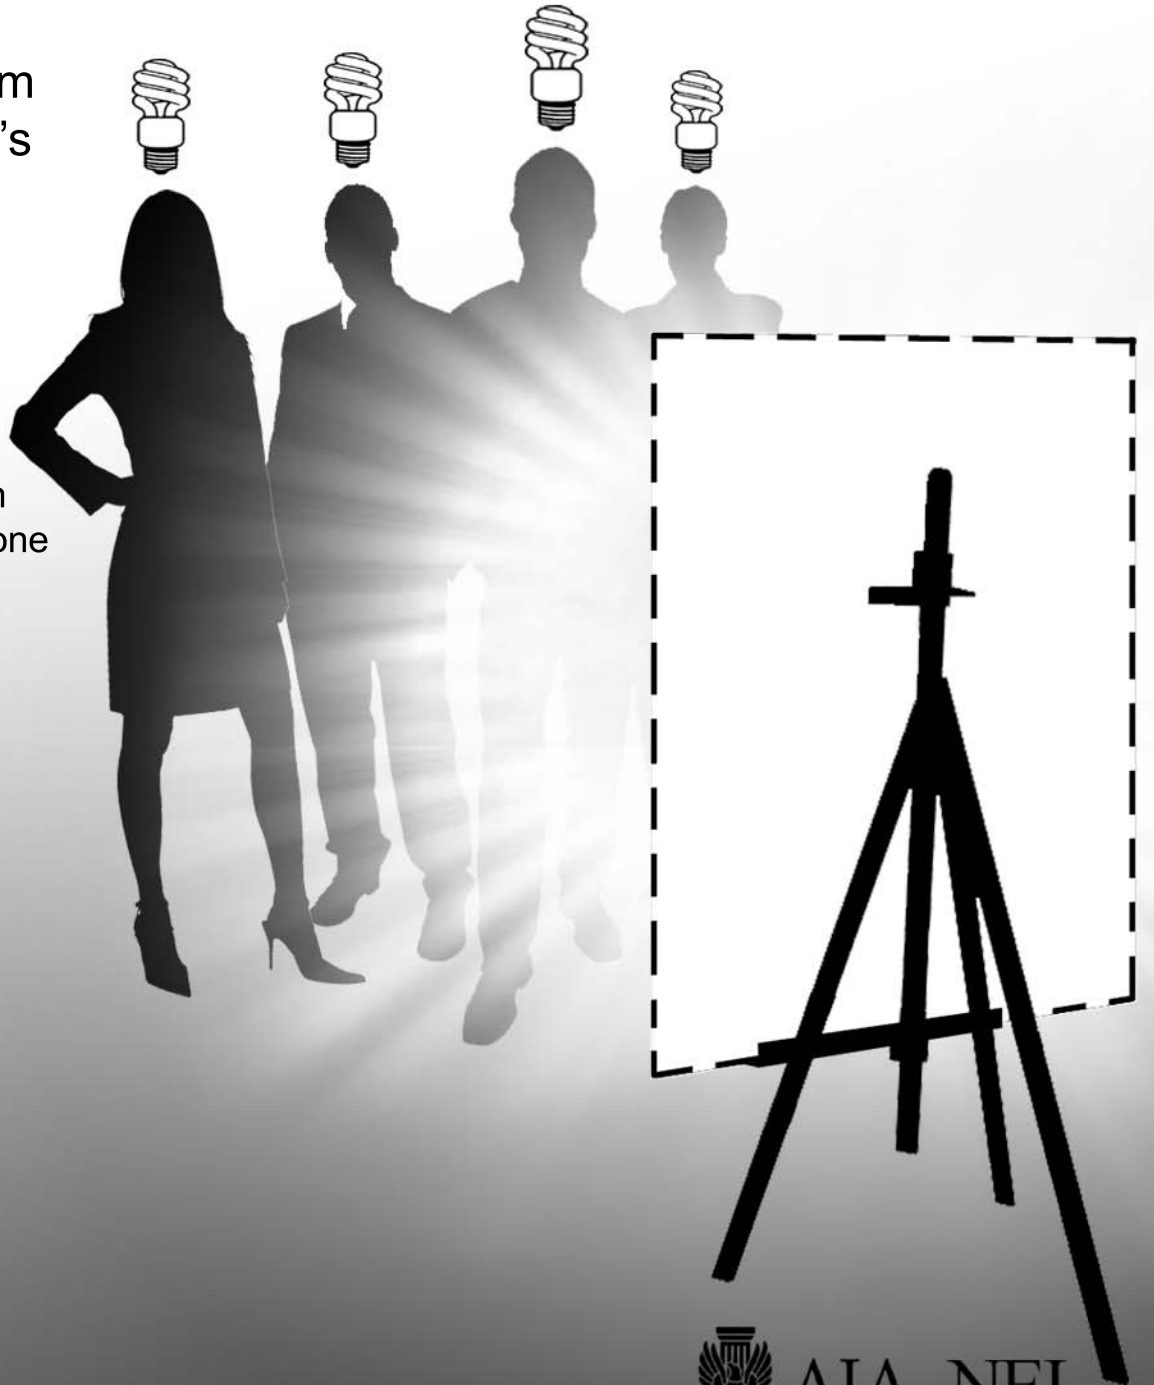

The goal is to demonstrate how good design matters and can make the difference in our homes and community. The top 4 posters will be displayed in schools and libraries within the Chicago area. Competition is Open to anyone in the architecture and design industries.

Registration deadline:  
March 29, 2010

Registration fee:  
\$15 to cover printing costs

Jury review will determine winners during "Architecture Week"  
April 12-17 2010
