

Habib Ansari – Associate AIA

Habib Ansari currently is a Project Coordinator at Charles Vincent George Architects in Naperville. Prior to CVG Architects, Habib was an Architectural Designer with Kluber Architects + Engineers in Aurora and interned at LaPage Architects Ltd. in Wheaton during his college years. After earning his Associates in Pre-Architecture from the College of DuPage, Habib transferred to the Illinois Institute of Technology where he received his Bachelor of Architecture degree with specializations in both Architectural History/Theory and Landscape Architecture. Habib also has a Master of Engineering in Construction Engineering & Management from IIT. With experience in the healthcare, municipal, and corporate sectors, Habib has extensive knowledge on many building types in the Chicagoland area.
